

Key-Term Fold

A key-term fold is useful for studying definitions of key terms in a chapter. Each tab can contain a key term on one side and its definition on the other. Use the key-term fold to quiz yourself on the definitions of the key terms in a chapter.

See how it's done.

1. Fold a **sheet of lined notebook paper** in half from left to right.
2. Using **scissors**, cut along every third line from the right edge of the paper to the center fold to make tabs.
